Behavior in Public Places. Goffman, Erving 1966. Behavior in Public Places: Notes on the Social Organization of Gatherings. New York: The Free Press. Briefly, a social order may be defined as the consequence of any set of moral norms that regulates the way in which persons pursue objectives. The set of norms does not specify the objectives the participants are to seek, nor the pattern formed by and through the coordination or integration of these ends, but merely the modes of seeking them.

Public sexual activity includes a range of behaviors, such as solitary nude sunbathing, flashing, streaking, solitary or mutual masturbation, fellatio, and vaginal or anal intercourse. While some behaviors do not involve sexual activity per se, they involve sexual content of concern to both the public and the police.
