Motivation & Personality: Abraham Harold Maslow, Robert ...

Motivation and Personality is a book on psychology by Abraham Maslow, first published in 1954. Maslow's work deals with the subject of the nature of human fulfillment and the significance of personal relationships, implementing a conceptualization of self-actualization. Underachievers have a need for social love and affection, but a self-actualized person has these "lower" needs gratified and is able to pursue his or her own path towards self-actualization.

Motivation and Personality (book) - Wikipedia

Motivation and Personality by Abraham H. Maslow is one of his major works. It was first published in 1954 and it has become a classic, most known for Maslow's outline of the hierarchical pyramid of human needs, which became a mainstay in the understanding of human nature and psychology. At the time it was published it created a revolution in the way the western world understood child care and the later consequences of failing to provide a safe, nurturing environment for children.

MOTIVATION - s-f-walker.org.uk

Maslow felt as though conditioning theories did not adequately capture the complexity of human behaviour. Maslow therefore looked to determine what it is humans seek in life. After much theorizing, he concluded that we search for things that will fulfil our needs for survival, as well as our emotional happiness and self-satisfaction.
