### **The Absent Superpower - Zeihan on Geopolitics**

The title of Peter Zeihan's latest book, The Absent Superpower: The Shale Revolution and a World Without America, does an excellent job of summing up the two main themes running through the text. In Zeihan's mind, the growth of the shale industry in North America, and an American Foreign Policy that is slowly shifting away from its post-World War Two/Cold War footing, mean that the world is about to change in profound ways.

## **The Absent Superpower Quotes by Peter Zeihan**

His latest book, The Absent Superpower brings this into focus. If I had to concisely describe it, I'd say that it was essentially the same content as his earlier book (The Accidental Superpower) with a long promo for the shale oil industry and a far less interesting narrator.
