Second French Empire - Wikipedia

Second Empire, (1852–70) period in France under the rule of Emperor Napoleon III (the original empire having been that of Napoleon I). In its early years (1852–59), the empire was authoritarian but enjoyed economic growth and pursued a favourable foreign policy. Liberal reforms were gradually introduced after 1859, but measures such as a low-tariff treaty with Britain alienated French businessmen, and political liberalization led to increased opposition to the government.
